

Quality Endorsed 10 YEAR WARRANTY

BAYLOOP HOLDINGS PTY LTD (ACN 111 718 211) T/A “PJ Roof & Wall Coatings”

(and hereafter referred to as “**PJ Coatings**”) guarantees to the Client named in the within Contract that in consideration of the payment by the Client of the Contract Sum specified in the Contract that the coating (hereafter referred to as the “**Coating**”) applied to the roof of the building described in the Contract supplied to PJ Coatings by Nutech Paint Pty Ltd (ACN 242 116 996) or any other supplier of roof coatings under the Contract as engaged by PJ Coatings will be free from defects for a period of ten (10) years from the date of application of the Coating and PJ Coatings guarantees to the Client that the Coating has been applied by PJ Coatings in a **tradesmanlike** and **workmanlike** manner.

This guarantee is subject to:

1. All claims made under this guarantee by the Client must be in writing to PJ Coatings stating the full details of the defect in the Coating and the date of application of the Coating.
2. Any defects in the Coating within the first ten (10) years after the date of application of the Coating will be repaired at the cost of PJ Coatings.
3. PJ Coatings guarantees that leaks which occur to the roof of the building described in the within Contract within the first twelve (12) months after application of the Coating will be repaired at PJ Coatings expense provided that the leak or leaks are caused by the faulty work of PJ Coatings. No repairs will be made by PJ Coatings to any leak in the roof of the Building after one (1) year from the date of application of the Coating and Skillion Roofs are expressly excluded from this guarantee.
4. This guarantee does not extend or cover to any claim for damage, leaks or defects caused by structural faults, substrata faults, plumbing defects, failure of other paints or coating already on the substrate, building or roof design defects, acts of God, objects being placed or falling on the roof or as a result of any human activity on the roof or interference to the roof or coating by others or damage regrowth of moss, fungus or lichen.
5. This guarantee does not apply to, or extend to, any Contract which relates to a roof which is properly characterised as “**Previously Coated Roofs**” which are roofs which have been previously painted with paint or coating.
6. The Client under the Contract, where the roof to be subject to the application of the Coating by PJ Coatings is a Previously Painted Roof, acknowledges there is a small risk that the Coating applied by PJ Coatings under this Contract may not be fully effective due to the possibility of delamination. The risks of failure in Previously Painted Roofs are not significant and are summarised in a report prepared by Nutech Paint Pty Ltd, a copy of which is available for inspection at the office of PJ Coatings, on request of the Client.
7. This guarantee is given by PJ Coatings to the Client named in the Contract and is not capable of assignment by the Client to any third party, including any buyer of the building of the Client after the application of the Coating.
